# COMEDY

## COMEDY FILMS

### ***A Romantic Fragment***

A whimsical rom-com fantasy from China that follows young exes (Su and Zhao) on their trip to a mythical tree. It's an attempt by Su to revive their relationship. Unfortunately, Zhao doesn't share that she invited her new fiancé. **(United States Premiere)**

### ***Bleecker***

Alicia Crowder, Tovah Feldshuh, Ben Stiller and Christine Taylor in a comedic tale of intertwining stories about a motley of characters in NYC's Village and the woman who has come to The Big Apple to find her place in this world. **(California Premiere)**

### ***Day Trippers***

An imaginative and hilarious comedy in which a teen rebel and a runaway bride meet up as strangers in Amsterdam and form an unlikely bond. **(World Premiere)**

### ***Ezra***

Bobby Cannavale, Rose Byrne, Robert De Niro, Vera Farmiga, Rainn Wilson, and Whoopi Goldberg star in this fabulously unpredictable ensemble dramedy from director Tony Goldwyn about parents struggling over how best to raise their child. **(Silicon Valley Premiere)**

### ***Future Date***

In the distant future where the outside climate is unlivable and everyone is forced to spend their lives alone in tiny rooms, two people win the rare opportunity to go on a very unusual date... in person! **(World Premiere)**

### ***Gondola***

Visually stunning, quirky, and endearing, *Gondola* is the beautiful tale of two gondola attendants and the connection that swells between them. A story of friendship, love, and connection. **(United States Premiere)**

### ***Hailey Rose***

Set on the beautiful Nova Scotia coast, *Hailey Rose* is a stunning family comedy about love in all its expressions — even when those we love the most make life more...complicated. **(United States Premiere)**

### ***Human Resources***

A superb and offbeat comedy from Mexico wherein office dynamics take the 9 to 5 grind to a whole new level. **(United States Premiere)**

### ***Humanist Vampire Seeking Consenting Suicidal Person***

A completely engrossing deadpan horror-comedy about a young bloodsucker who can only feed on people for whom she feels sympathy. **(Silicon Valley Premiere)**

### ***My Divorce Party***

Xan gathers her besties in Joshua Tree to celebrate and sulk in her impending divorce. Chaos ensues when she reveals she brought her life savings with the intention of blowing all of it by the weekend's end. **(World Premiere)**

### ***Puddysticks***

A brilliant comedy about a workaholic at a brutal, elite gaming company with the chance to be recruited by her gaming hero...but only if she's the best at her job. **(World Premiere)**

### **SILENT CINEMA: *Our Hospitality***

Comic genius Buster Keaton journeys south to collect his inheritance, where he falls in love. The only problem is her family has vowed to kill every member of his family.

### ***The Italians***

Matthew Daddario (*Shadowhunters*), Rob Estes (*Silk Stalkings*), Michelle Danner (*Miranda's Victim*), Perrey Reeves (*Entourage*), David DeLuise (*Wizards of Waverly Place*), Olivia Luccardi (*It Follows*), Lainie Kazan (*My Big Fat Greek Wedding*), and Abigail Breslin (*Zombieland*, *Little Miss Sunshine*) star in an incredible comedy of love, family bonds, acceptance, and great Italian food. **(World Premiere)**

### ***The Trouble with Jessica***

Starring Shirley Henderson (*The Mandalorian*, *Meek's Cutoff*), Alan Tudyk (*Firefly*, *Resident Alien*), Rufus Sewell (*The Diplomat*, *The Man in the High Castle*, *Dark City*), Olivia Williams (*The Crown*, *An Education*, *Rushmore*), and Indira Varma (*Mission Impossible: Dead Reckoning*, *Obi-Wan Kenobi*), a brilliant comedy about a successful London couple who face the moral dilemma of their lives when an uninvited dinner guest does the unthinkable. **(Silicon Valley Premiere)**

# THRILLER, FANTASY & SCI-FI

## **Trigger Happy**

A repressed husband attempts to murder his bread-winning wife for her life insurance policy in this madcap, 1950's-inspired satire. **(World Premiere)**

## **THRILLER, FANTASY & SCI-FI FILMS**

### **BA**

A clever and captivating fantasy, family drama in which a struggling father makes a faustian bargain and becomes the incarnation of Death, he must fight to unwind his fate while keeping his predicament hidden from his daughter. **(World Premiere)**

### **Canvas**

A psychological thriller that would make Hitchcock proud, *Canvas* follows an ex-child art prodigy as she is harrowed by her sister, who returns to their childhood home and tries to get her committed. **(World Premiere)**

### **Fanti**

A slick, edge-of-your-seat thriller from Vietnam about an aspiring actress whose growing social network gains her a threatening subscriber who begins following her every move—leading to an explosive finale. **(United States Premiere)**

### **Giant's Kettle**

A love story without love. A film into which fans of David Lynch can really sink their teeth. An unforgettably enchanting and eerie cinematic experience. **(United States Premiere)**

### **OPENING NIGHT: *The Island Between Tides***

Starring Paloma Kwiatkowski (*Riot Girls*, *Percy Jackson: Sea of Monsters*), Donal Logue (*Gotham*, *Sons of Anarchy*), Camille Sullivan (*Hunter Hunter*), David Mazouz (*Gotham*), and Golden Globe Nominee Adam Beach (*Bury My Heart at Wounded Knee*). Based on Peter Pan author J.M. Barrie's gothic bedtime story *Mary Rose*, a stunning sci-fi, mystery about a young woman who follows a mysterious melody onto a remote tidal island. When she crosses back over at the next low tide, she emerges into a world where 25 years have passed. **(World Premiere)**

### **Paradise**

Patricia Allison (*Sex Education*), Tate Donovan (*Argo*), and Myles Evans (*Dickinson*) star in a magnificent thriller about murder, revenge, and hidden truths. **(United States Premiere)**

### **Retreat**

A psycho-comedy thriller about a mother and son on the edge. To reconnect and heal their wounds they head to a retreat run by a social media influencer. It's not long until truths are revealed that will change the lives of everyone at the retreat. **(United States Premiere)**

### **Same Old West**

An absolutely enthralling, must-see thriller! A western set in the isolated backlands of Brazil, where men who are unable to cope with their own frailties always end up abandoned by the women they love. This is when they begin to turn against each other with fiery results. **(World Premiere)**

### **Shift**

A bored night security guard gets more than he bargains for when late night patrons begin to mysteriously disappear while he's on the clock. **(California Premiere)**

### **SILENT CINEMA: *The Mark of Zorro***

The original swashbuckler, Douglas Fairbanks, plays Zorro, the masked hero who protects the poor citizens of Old California in this classic masterpiece.

### **Tim Travers and the Time Traveler's Paradox**

A scientist creates a time machine in order to kill their younger self, simply to see what would happen. And that self-obsessed, misanthrope, mad genius of a scientist is Tim Travers. But, as is soon learned, the universe was bad enough with only one of him!!! A spectacular sci-fi comedy starring Samuel Dunning (*Blue Bloods*), Felicia Day (*Supernatural*, *The Guild*), Danny Trejo (*Machete*, *From Dusk Till Dawn*), Keith David (*They Live*, *The Thing*), and Joel McHale (*Community*, *The Soup*). **(World Premiere)**

### **Vincent**

A malevolent force is lurking outside, and a reclusive writer becomes immersed in an intense and cathartic awakening. **(World Premiere)**

# INSPIRATION

## **Whisper**

After his life is shattered, a lawyer encounters a demonic entity on a hidden island, where he is tempted by the promise of reunion with his lost daughter, but at the peril of his soul. **(World Premiere)**

## **INSPIRATION FILMS**

**PRESENTED IN HONOR OF JAMES BOYCE TRUST & KRIS OTIS**

## **Camp Ricstar**

2024 Kaiser Permanente Thrive Award Winner: Despite being born with cerebral palsy, Eric Winter dreamed of being a rock star. His dream lives on in a one-of-a-kind summer camp where the power of music is harnessed to change lives. **(World Premiere)**

## **CLOSING NIGHT: Hard Miles**

Join movie lovers in welcoming star Matthew Modine to Cinequest for a night of inspiration with the story of a strong-willed social worker at a youth prison who assembles a cycling team of teenage convicts and takes them on a transformative 1000-mile ride. **(Silicon Valley Premiere)**

## **Drama Life**

The beautiful and poetic story of Liang Yi, an actress who was tricked into selling her house in order to be a part of making a movie. However, she realizes a way to get her money back and devises a plan. **(United States Premiere)**

## **Eden**

For 40 years Jeffrey and Ellie Patterson have dedicated their lives to running one of California's most historic wineries. As they prepare to pass the estate on to their two children, they learn the challenges of mixing family and business. **(World Premiere)**

## **Frida**

An intimately raw and magical journey through the life, mind, and heart of iconic artist Frida Kahlo. Told through her own words for the very first time — drawn from her diary, revealing letters, essays, and print interviews — *Frida* reaches new visual heights with lyrical animation inspired by her life and unforgettable artwork. **(California Premiere)**

## **Laughing Buddha**

A heartwarming tale from India wherein a young boy with big dreams must struggle with his desire for wealth in order to learn what true happiness means. **(United States Premiere)**

## **Listen Up!**

Based on the hit novel of the same name, *Listen Up!* is an energetic, relevant, and entertaining film about a Pakistani family that's filled with lots of laughs and a ton of heart. **(Silicon Valley Premiere)**

## **Of Color and Ink**

The creative, political, and spiritual journeys of China's foremost 20th Century painter, Chang Dai-chien, are explored with stunning beauty by director Zhang Weimin. **(United States Premiere)**

## **Old Righteous Blues**

An inspirational fable from South Africa following a young man's dreams of leading his town's Christmas Choir Band to its former glory. **(World Premiere)**

## **Pain and Peace**

A survivor of a terrible hate crime embarks on a journey to understand forgiveness and the motivating force behind hate. **(World Premiere)**

## **Quixote in New York**

At eighty-two years old, flamenco master Carrete wants to fulfill a dream before the end of his dancing career: to perform in a major theater in New York. **(United States Premiere)**

## **The Light Of Women**

Three inspirational women leave their village for the first time and embark on a transformative, once in a lifetime, empowering experience. **(United States Premiere)**

## **Time Passages**

Family is everything, and Kyle Henry wants to connect with his mother, his history, and the world at large. This is a tale of healing, of loss, and a testament to love. **(World Premiere)**

## **Yellow Bus**

After discovering that her daughter was abandoned to perish in the blistering desert heat on a school bus, an Indian woman residing in the Arabian Gulf sets out on a quest for the truth and justice. **(United States Premiere)**

# DRAMA

## DRAMA FILMS

### ***A House for Shahana***

1990s, Bangladesh. Dipa, a young, divorced woman whose refusal to suffer silently makes her a misfit in her town. Forced into a marriage with a widower is the catalyst that sets the strong-willed Dipa on a path of transformation. It's time to live life on her own terms.

**(United States Premiere)**

### ***Another Day in America***

A radical comedy-drama set in an American office, but it's not business as usual. Today, it's personal. Today, it's guerilla warfare.

**(World Premiere)**

### ***Bosnian Pot***

An engrossing dramedy following a failed writer who's facing deportation and must prove he's made a cultural contribution to society. His last chance is with an off-theatre troupe who will stage a production of a play he wrote as a young man. **(United States Premiere)**

### ***Dead Man's Switch***

Dalia discovers that her husband has vanished without a trace. As her life and her job as a subway driver begin to collapse; the intense indifference of her environment engulfs her in a dark tunnel that seems to lead nowhere.

**(World Premiere)**

***Falling Into Place*** A captivating romance following two people running from their demons, who meet on the Scottish Isle of Skye. They connect suddenly and deeply. Returning to London, they try to pursue their separate lives, but both have to face their pasts before they are ready to meet again.

**(United States Premiere)**

### ***On Marriage: Save the Date***

Marriage is a scam and all you have to do is deceive yourself. A dynamic Taiwanese tale filled with drama, comedy, and love.

**(United States Premiere)**

### ***One Night in Tokyo***

Betrayal spawns an unexpected night through the streets of Tokyo for two strangers left questioning the meaning of life and love.

**(World Premiere)**

### ***Single Car Crashes***

A wonderfully moving and thoughtful story about change, friendships, love, and looking at the road ahead rather than the one in the rearview mirror.

**(World Premiere)**

### ***The Conqueror: Hollywood Fallout***

The story of a failed Hollywood epic and the devastating repercussions it had, not only on some of Hollywood's most iconic stars, but the residents of a desert town in Utah where the film was shot. **(United States Premiere)**

### ***The Greatest***

1962: Jay has a secret. He has recently met a man named Ricky. Jay and Ricky become romantically involved, risking everything.

**(World Premiere)**

### ***The Invisibles***

Starring Tim Blake Nelson (*O Brother, Where Art Thou?*, *Nightmare Alley*), Gretchen Mol (*Manchester by the Sea*, *Boardwalk Empire*), and Bruce Greenwood (*Star Trek*, *The Fall of the House of Usher*). In the midst of a crumbling marriage and a stalled career, Charlie (Tim Blake Nelson) feels increasingly invisible-until one day he literally disappears from the world. *The Invisibles* takes us on a visually arresting journey to a parallel dimension where the Disappeared co-exist, unnoticed by the real world.

**(United States Premiere)**

### ***Three Birthdays***

Josh Radnor (*How I Met Your Mother*), Annie Parisse (*Mrs. America*), Nuala Cleary (*The Crowded Room*), and Dolly Wells (*Bridget Jones's Diary*) star in a beautiful drama set in 1970, at the height of the sexual revolution, as an idealistic academic couple and their 17-year-old daughter wrestle with revolutionary ideas around sex, race, and class.

**(Silicon Valley Premiere)**

### ***Three Brothers***

Winner of the Special Jury Award at the Mar del Plata Film Festival, *Three Brothers* is a powerful look at family and the depths we go to climb our way back out again. **(United States Premiere)**

### ***Warhol***

A fusion of David Fincher's claustrophobic suspense in *Panic Room* and the intense, dark underbelly of Dan Gilroy's *Nightcrawler*.

**(United States Premiere)**

### **CINEQUEST AI DAY & TOWN HALL MARCH 6, HAMMER THEATRE CENTER**

**All are welcome! Get your complimentary ticket at  
[Cinequest.org/festival-events](https://Cinequest.org/festival-events)**

Preceding the festival, on March 6th at the Hammer Theatre Center, Cinequest hosts a meeting of the minds, politicians, creatives, and our community to tackle the opportunities as well as the potential issues of AI for communities. It's fitting that Cinequest, a trusted organization, would host a seminal gathering in the epicenter of AI, the Silicon Valley, and expand the conversation beyond the normal approach of mainstream media. A keynote address and open conference will precede two forums: 1) "The Good, Bad, and Ugly of AI — What Communities and Policy-makers Need to Know, Address, and Utilize in the Realm of AI"; and 2) "Creativity, Consciousness, and AI." Afterward, Cinequest will conduct a community Town Hall where leaders field community questions and address some of the hot topics explored in the Keynote and Forums. The event will include competitions between Human vs. Artificial Intelligence in creative areas of comedy, rap, and more. Keynote and speaker lineup to be announced in mid-February.

### **CINEQUEST OPENING EVENT MARCH 7, CALIFORNIA THEATRE @ 7:15PM**

**World Premiere Screening, Artists in Conversation, and Party**

Cinequest kicks off at the palatial California Theatre in San Jose with a star-studded red carpet, the World Premiere of the fantasy thriller *The Island Between Tides*, and an exciting after-party at The Glass House.

Special guests: Paloma Kwiatkowski (*Percy Jackson, Bates Motel*), David Mazouz (*Gotham*), Donal Logue (*Gotham, Sons of Anarchy*), and writers/directors Austin Andrews and Andrew Holmes. Story: Based on Peter Pan author J.M. Barrie's gothic bedtime story *Mary Rose*, a stunning sci-fi, mystery about a young woman who follows a mysterious melody onto a remote tidal island. When she crosses back over at the next low tide, she emerges into a world where 25 years have passed. Afterwards, join Artists at the Glass House for a fabulous party of food, drink, music, and sharing.

# SPECIAL EVENTS AT CINEQUEST

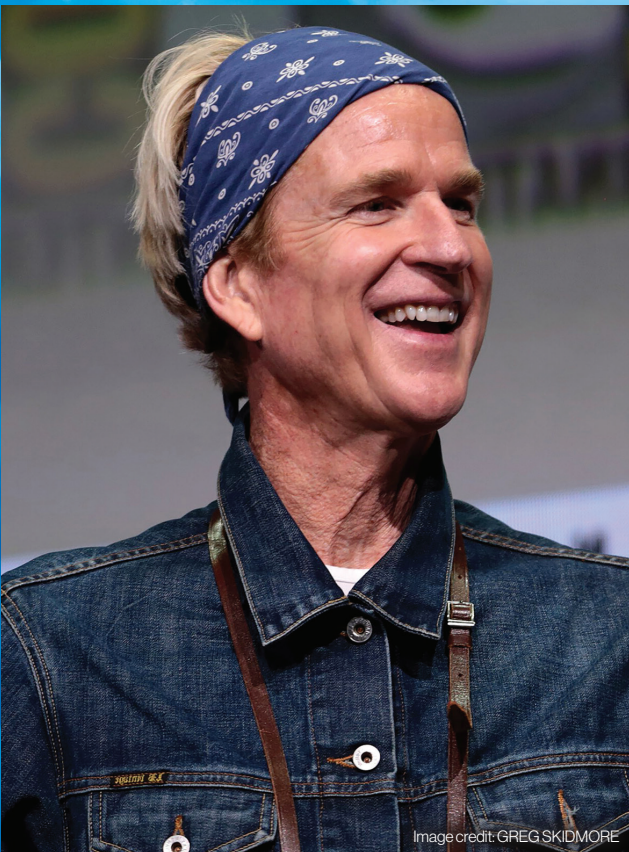

## SILENT CINEMA EVENT

**MARCH 8, CALIFORNIA THEATRE @ 7:15PM**

**Double Feature: *The Mark of Zorro* & *Our Hospitality***

Step into the glamorous era of the 1920s. Join legendary Wurlitzer Organist Dennis James for a spellbinding and hilarious evening of Silent Film Masterpieces in the palatial California Theatre. Fairbanks' brilliant *The Mark of Zorro* precedes legendary comedian Buster Keaton's *Our Hospitality* in a magnificent double feature. Double feature tickets provide access to both movies, and we are providing individual screening tickets to each film and performance as well. An intermission will follow *The Mark of Zorro*.

## CLOSING MAVERICK SPIRIT EVENT

**MARCH 17, CALIFORNIA THEATRE @ 7:15PM**

**Maverick Spirit Award Conversation and Screening**

Join Maverick Spirit Recipient Matthew Modine for his inspiring new film *Hard Miles*, the story of a strong-willed social worker at a youth prison who assembles a cycling team of teenage convicts and takes them on a transformative 1000-mile ride.

Cinequest's highest honor, the Maverick Spirit Award, reflects the best of the worlds of innovation and artistry. It has been received by J.J. Abrams, Tatiana Maslary, Nicolas Cage, Sir Ian McKellen, Rosario Dawson, Harrison Ford, Michael Keaton, Sir Ben Kingsley, Spike Lee, Elle Fanning, Gemma Arterton, Neil Gaiman, and Jim Gaffigan.

Renowned for his role as U.S. Marine Private/Sergeant J.T. "Joker" Davis in Stanley Kubrick's *Full Metal Jacket*, Modine has worked with many of the film industry's most respected directors, including Oliver Stone, Stanley Kubrick, Robert Altman, Spike Lee, Jonathan Demme, John Sayles and Christopher Nolan. Additional film and television credits include *Oppenheimer*, *Stranger Things*, *The Dark Knight Rises*, *Short Cuts*, *Birdy*, *Married to the Mob* and *Any Given Sunday*.

Modine is an outspoken advocate for understanding the potential impact of AI on the entertainment industry, and his interest in the convergence of technology and storytelling is evident through his filmmaking.

Beyond his cinematic pursuits, Matthew Modine is an environmentalist who cares deeply about bettering the planet, aligning seamlessly with the theme of "Uplift," making him the fitting recipient of the Maverick Spirit Award.
